

# HUNTINGTON TOWN CLERK'S ARCHIVES

*Jo-Ann Raia, Town Clerk/RMO*

## *Using Local Government Records to Create Document Based Questions (DBQs)*

This presentation intends to train teachers in methods of researching primary documents, for the purpose of constructing DBQs that will challenge students to: read historic records and think critically, acquire a sense of local history, as well as understand the importance of local government and record keeping.

This is a two-hour workshop, free of charge, provided to our residents as part of the Archives Outreach Program.
